# 3 activity ideas

## 1. Heroes of the Bible Timeline

Use the template, or create your own card, and add Moses to your Heroes of the Bible timeline. Decorate the card with things that remind you of the story. You could also add the memory verse onto the back.

## 2. Hide and Seek Rules

Cut up God's 10 Rules sheet (overleaf) and hide around your house/garden. Challenge your child to find the rules and then put them in the right order. Then swap over so they hide them and you order them. Ask them if they think you have got it right.

## 3. Read/Act the story

Read out or act out the rest of the story of Moses from your favourite family/children's Bible using puppets/lego characters.

## 4. Wordsearch (overleaf)

## 4. Love God and others

Decorate a jam jar or box. On small slips of paper, write lots of different ways you can love God and love others this week. Put all of the slips of paper in the jar and then pick one out each day and see if you can complete the actions before the end of the day. .

# God's 10 Rules

Always remember I am your God.  
I have rescued you and I love you.

You must not take a person's life,  
for life is very precious.

Don't let anything take my place.

Husbands and wives must keep their special love  
just for each other.

Remember who I am when you talk about me.

Always remember I am your God.  
I have rescued you and I love you.

There are six days for work and one day for rest,  
that's my special day.

Don't tell lies.

Always listen to your mother and father;  
try not to make them unhappy.

Don't be greedy for what other people have.
